Awareness of Domestic Violence and Abuse

Each year around 2.1 million people (men and women) in England and Wales suffer some form of domestic abuse. On average high risk victims live with domestic violence abuse for 2.6 years before seeking help and 23% of those victims attend A&E as a result of their injuries in the year before they get help.
“There used to be blood stains on the wall, but we’ve painted over it now” Susan, aged 13

Who is this course for?
This Awareness of Domestic Violence and Abuse course has been created with victims in mind and will inform learners about domestic violence and abuse, and how to support those experiencing it.

What will you learn?
• Explain what domestic violence and abuse is and identify who is at risk
• Describe the physical and psychological effects of domestic violence and abuse
• Classify the behaviours displayed by an abusive person
• Explain the impact of domestic violence and abuse on children young people and vulnerable adults
• Outline the MARAC process

This course is free of charge to all people working with or providing services to children, families and vulnerable adults within North East Lincolnshire excluding private and for profit organisations.
